My C250 CDI 2010 AMG W204 has COMAND APS. It has the AUX menu on the unit to select but no AUX port in the glovebox. I removed the side trim of the dash to see if it was there and it is not. Can anyone tell me why there is no AUX input despite my COMAND APS detailing this as a viable audio source in my instruction manual? Thanks, pictures attached.

COMAND APS NTG 1 Audio 20 / Audio 50. COMAND APS was introduced in 2003. It was different than the early command system found on W220, W163, W210 models which used D2B optical network. COMAND APS uses MOST network. All new head units with MOST system are called COMAND APS. To separate them from the early COMMAND systems.

Identify Mercedes COMAND APS head unit | MB Media  
It only works with cars with Audio-50-APS or COMAND-APS (i.e factory fit navigation systems) - even if you have this option factory fitted you will still need to purchase a lead set to connect your device (see Media Interface cable set). The socket is in the top of the main glovebox on the side near the centre console.
