They are members of the Chosen. On their way to the military base, their convoy is attacked and Devin and Karissa learn the real reason behind their selection. Their attraction grows as they struggle to survive and wrestle with the decision to continue on to the base as part of the Chosen, which means leaving millions of others behind to die. On the great influence of a valiant lord: "The companions, who see that good warriors are honored by the great lords for their prowess, become more determined to attain this level of prowess." On the lady who sees her knight honored: "All of this makes the noble lady rejoice greatly within herself at the fact that she has set her mind and heart on loving and helping to make such a good knight or good man-at-arms." On the worthiest amusements: "The best pastime of all is to be often in good company, far from unworthy men and from unworthy activities from which no good can come." Enter the real world of knights and their code of ethics and behavior. Read how an aspiring knight of the fourteenth century would conduct himself and learn what he would have needed to know when traveling, fighting, appearing in court, and engaging fellow knights. Composed at the height of the Hundred Years War by Geoffroi de Charny, one of the most respected knights of his age, A Knight's Own Book of Chivalry was designed as a guide for members of the Company of the Star, an order created by Jean II of France in 1352 to rival the English Order of the Garter. This is the most authentic and complete manual on the day-to-day life of the knight that has survived the centuries, and this edition contains a specially commissioned introduction from historian Richard W. Kaeuper that gives the history of both the book and its author, who, among his other achievements, was the original owner of the Shroud of Turin.

From @wilderpoetry comes a heavily expanded revised edition of Nocturnal, a collection of poetry and beautifully illustrated black-and-white imagery inspired by darkened days and sleepless nights. Poetry meets presentation in each of the four sections ("Dusk," "Northern Lights," "Howl," "Lucid Dreams,"), which trace the author's continuing journey of self-discovery while illuminating a path for others along the way. Ink stains, landscapes, dreamlike animals, blackened pages, and textured spreads create a multifaceted reading experience. And true to the moniker, these poems are linked by a motif of "the wild." Celebrating the art of self-love poetry with both word and image, Nocturnal will leave readers comforted, curious, and inspired to explore the world around them.

A teen girl version of Dexter meets the high stakes danger and mystery of The Girl with the Dragon Tattoo in this " unique, beautifully twisted, and rich " (#1 New York Times bestselling author, Jennifer L. Armentrout) debut. Lane is a typical teenager. Loving family. Good grades. After-school job at the local animal hospital. Martial arts enthusiast. But her secret obsession is studying serial killers. She understands them, knows what makes them tick. Why? Because she might be one herself. Lane channels her dark impulses by hunting criminals and delivering justice when the law fails. The vigilantism stops shy of murder, but with each visceral rush, the line of self-control blurs. And when a young preschool teacher goes missing—and returns in pieces—Lane gets a little too excited about tracking down " the Decapitator, " the vicious serial murderer who has come to her hometown. As she gets dangerously caught up in a web of lies about her own past, Lane realizes she is no longer invisible or safe. Especially after the Decapitator contacts her directly. Now she needs to use her unique talents to find the true killer ' s identity before she—or someone she loves—becomes the next victim...
