'Catastrophic Care' In America's Health System : NPR

About Catastrophic Care. In 2007 David Goldhill's father died from infections acquired in a well-regarded New York hospital. The bill, for several hundred thousand dollars, was paid by Medicare. Angered, Goldhill became determined to understand how it was possible that well-trained personnel equipped with world-class technologies could be responsible for such inexcusable carelessness--and how a business that failed so miserably could still be rewarded with full payment.
