articulated, and deformable objects, their interactions with the physical world, and the estimate of their shape and motion from visual data. This book presents a large variety of methods and associated experiments in computer vision, graphics and medical imaging that help the reader better to understand the presented material. In addition, special emphasis has been given to the development of techniques with interactive or close to real-time performance. Physics-Based Deformable Models is suitable as a secondary text for graduate level courses in Computer Graphics, Computational Physics, Computer Vision, Medical Imaging, and Biomedical Engineering. In addition, this book is appropriate as a reference for researchers and practitioners in the above-mentioned fields.

It's the beginning of senior year and Yuki's psychic awareness of ghostly spirits is threatening to ruin her life. Her ability to sense spirits of the dead isn't glamorous like the ghost hunting on television. SHE SMELLS THE DEAD. The smell impressions are becoming stronger. Yuki is being visited in her dreams, and she suspects that her friend Calvin is involved in something strange. To make matters worse her crush on Garrett is going unrequited, Yuki's friend Emma is on a rampage against bee oppression, and annoying Calvin Miller mysteriously disappears. Will Yuki be able to focus her powers in time to save the lost soul who is haunting her? Meanwhile, who will save Yuki from following the spirits into the light?

Days away from high school graduation, with hardly a penny to his name, Evan Lowry needs to earn money for college. When he comes across an ad for modeling, he thinks his luck has changed-until he learns he's interviewing for an adult film and will be expected to have sex. On camera. With other men. For gay porn star Brandon Court, the shine has worn off of regular shoots. He and his producer, Les, decide to try something new: a reality-show porno set at a beach house. When he meets wide-eyed and naive Evan for the first time, Brandon isn't sure if he wants the kid to get lost or get naked. Naked wins. On set, Brandon takes Evan under his wing, and over the next month, they are thrown together in every intimate way conceivable-except emotionally.

The first broad retrospective of August Kleinzahler's career, *Sleeping It Off in Rapid City* gathers poems from his major works along with a rich portion of new poems that visit different voice registers, experiment with form and length, and confirm Kleinzahler as among the most inventive and brilliant poets of our time. Travel—actual and imaginary—remains a passion and inspiration, and in these pages the poet also finds "This sanctified ground / Here, yes, here / The dead solid
