Fight The Bite Maine - publicisengage.ie

When your Maine Coon bites you, it can be tough to figure out what's wrong. In most cases among kittens this isn't a sign of aggression but instead that they're exploring their environment. The mother or their litter's members usually teach a baby cat that this isn't good behavior, but sometimes they don't learn this lesson.

WA Health's Fight the Bite campaign aims to educate individuals on simple ways to prevent being bitten and reduce mosquito breeding around their home/holiday accommodation. Join our effort to Fight the Bite by downloading the campaign resources below and promoting it within your community.

Fight the Bite campaign - Department of Health

WEST BATH, Maine - Elizabeth Nelson was about to enter high school when she ended up in the emergency room. She had debilitating pain, flu like symptoms and extreme fatigue. Her parents, who have Lyme immediately suspected the disease. But her doctor refused to give her a blood test because she didn't have any symptoms - like a bulls eye rash.
