The King Air 350 and its many variants have been marketed under a number of different names, making the lineage somewhat difficult to follow. The King Air 350, also known as the King Air B300, was initially marketed as the Super King Air 350 in 1990, when it was created as the successor to the King Air 300, but the “ Super ” designation was dropped in 1996.
