A Made in USA mark is a country of origin label that indicates the product is "all or virtually all" made in the United States. The label is regulated by the Federal Trade Commission. In general, goods imported into the United States must have a country of origin label unless excepted, but goods manufactured in the United States can be sold with no origin label unless explicitly required.

U.S.-made goods that must bear an origin label include automobiles, textiles, wool, and fur products. Any vo
