practicing with similar questions. Strengthen your knowledge of the eight topics covered by the exam. Containing 15 questions for each exam topic this book doesn't claim to have the largest number of practice questions. It claims to have questions that will help you pass the OCAJP exam. It focuses in quality, not quantity. Each question was chosen to test a particular point of every exam objective. They are not just filler questions that have no relation with the exam. Explanations for the answer(s) of every question are included.

Last Updated: 1st Jan 2021 - Build 1.1 IMPORTANT: 1. We enhance the content and publish it on Amazon regularly. We update the build number upon each release so that you can determine if a new build has been released since your purchase.
