The Out of the Wreckage: A New Politics for an Age of ...

About Out of the Wreckage. A thrilling new route to a better society. A toxic ideology of extreme competition and individualism has come to dominate our world. It misrepresents human nature, destroying hope and common purpose. Only a positive vision can replace it, a new story that re-engages people in politics and lights a path to a better future.

Out Of The Wreckage: A Review This is one powerful book! (Please note that I am letting this post run until Sunday, 15th Oct.) For many years I have both read George Monbiot's writings, especially those published by The Guardian newspaper, and deeply respected his insight, intelligence and analysis of the world in which we now live.
