'SBAs, EMQs & SAQs in MEDICINE' provides a broad range and style of questions, not only for medical students preparing for their final exams, but also for clinicians preparing for their postgraduate exams. This book includes over 200 single best answer questions (SBAs), 400 extended matching questions (EMQs) and 100 short answer questions (SAQs), giving the reader a wide variety of topics to test their exam knowledge and technique. It is an invaluable educational resource for exam preparation and to help you succeed. Key features

- Over 700 questions on the core medical subjects.
- Compiled by a team of junior doctors with recent final exam and postgraduate specialty exam experience.
- Overseen by experienced doctors to ensure relevance and accuracy.
- The broad medical curriculum is covered in a succinct and consistent style.
- Clear and concise answers are provided.
- Easy accessible information to facilitate revision on the move.
- Enables the reader to assess their knowledge and help identify gaps in their knowledge to target revision.
- The following main specialties are covered: - Cardiology; - Respiratory medicine; - Gastroenterology; - Renal medicine; - Endocrinology; - Neurology; - Haematology; - Rheumatology; - Infectious diseases. Watch out for our other titles in the MedQ4exams series: - Surgery - The Specialties - Practice papers

An intimate portrait of the 16th president's lesser-known talents as a political operator traces his journey from a Republican underdog to an improbable victor who changed the course of American history, in an account that explains his public and behind-the-scenes efforts to advance his candidacy during a period of government and social turbulence.

This first-ever volume to comprehensively explore President Abraham Lincoln ' s ties to the American West brings together a variety of scholars and experts who offer a fascinating look at the sixteenth president ' s lasting legacy in the territory beyond the Mississippi River. Editor Richard W. Etulain ' s extensive introductory essay treats these western connections from Lincoln ' s early reactions to Texas, Oregon, and the Mexican War in the 1840s, through the 1850s, and during his presidency, providing a framework for the nine essays that follow. Each of these essays offers compelling insight into the many facets of Lincoln ' s often complex interactions with the American West. Included in this collection are a provocative examination of Lincoln ' s opposition to the Mexican War; a discussion of the president ' s antislavery politics as applied to the new arena of the West; new perspectives on Lincoln ' s views regarding the Thirteenth Amendment and his reluctance regarding the admission of Nevada to the Union; a fresh look at the impact of the Radical Republicans on Lincoln ' s patronage and appointments in the West; and discussion of Lincoln ' s favorable treatment of New Mexico and Arizona, primarily Southern and Democratic areas, in an effort to garner their loyalty to the Union. Also analyzed is " The Tribe of Abraham " —Lincoln ' s less-than-competent appointments in Washington Territory made on the basis of political friendship—and the ways in which Lincoln ' s political friends in the Western Territories influenced his western policies. Other essays look at Lincoln ' s dealings with the Mormons of Utah, who supported the president in exchange for his tolerance, and American Indians, whose relations with the government suffered as the president ' s attention was consumed by the crisis of

the Civil War. In addition to these illuminating discussions, Etulain includes a detailed bibliographical essay, complete with examinations of previous interpretations and topics needing further research, as well as an extensive list of resources for more information on Lincoln's ties west of the Mississippi. Loaded with a wealth of information and fresh historical perspectives, Lincoln Looks West explores yet another intriguing dimension to this dynamic leader and to the history of the American West. Contributors: Richard W. Etulain Michael S. Green Robert W. Johannsen Deren Earl Kellogg Mark E. Neely Jr. David A. Nichols Earl S. Pomeroy Larry Schweikart Vincent G. Tegeder Paul M. Zall

“ Full, fair, and accurate. . . . Certainly the most objective biography of Lincoln ever written. ” —Pulitzer Prize-winner David Herbert Donald, New York Times Book Review From preeminent Civil War historian Stephen B. Oates comes the book the Washington Post hails as “ the standard one-volume biography of Lincoln. ” Oates ’ With Malice Toward None is recognized as the seminal biography of the Sixteenth President, by one of America ’ s most prominent historians.

A volume of original essays on the sixteenth president includes James M. McPherson's evaluation of his politics and wartime strategies, Sean Wilentz's perspectives on Lincoln's party politics, and Eric Foner's assessment of his views on slavery and race. 15,000 first printing.

Previously published in hbk.: Chicago: Univ. of Chicago Press, 1990.

In this beautifully designed volume, America's top Lincoln historians offer a diverse array of perspectives on the life and legacy of America's sixteenth president. Spanning Lincoln's life -- from his early career as a Springfield lawyer, to his presidential reign during one of America's most troubled historical periods, to his assassination in 1865 -- these essays, developed from original C-SPAN interviews, provide a compelling, composite portrait of Lincoln, one that offers up new stories and fresh insights on a defining leader. Extras include a timeline of Lincoln's life, brief biographies of the 56 contributors, and Lincoln's most famous speeches.
