Families of children in pediatric nursing homes also tend to rely almost exclusively on Medicaid to provide care for their children. While Medicaid does pay for at-home private duty nursing, the wages it pays at-home attendants have been so paltry that it's often hard to find a private duty nurse.

[Why children are in pediatric nursing homes, separated from](#)

CONTINUUM OF CARE □ In order to provide care more efficiently, nursing care of children now encompasses a continuum of care that extends from acute care setting such as hospitals to outpatient setting such as rehabilitative units, community care settings, homes and schools.
