Welcome to the First Mathematics Challenge. The First Mathematics Challenge (FMC) has been specifically created to give all pupils in Years 3 and 4, P3 and P4 in Scotland and year 4 and 5 in Northern Ireland, the opportunity to take part in a National Challenge. The FMC has been created for all your pupils. It is our intention that mathematics is portrayed as enjoyable, exciting and engaging for younger pupils and the FMC should provide an entertaining yet educational ending to the school year.

### ~~Mathematical Association — First Mathematics Challenge~~

Primary Maths Challenge. As the saying goes: "every day is a school day" and last weekend at a meeting of the Teaching Committee of the Mathematical Association (the MA!) I found out about the primary maths challenge which is aimed at students in years 5 and 6. It is held every November with bonus rounds usually in the January/February and looks like this could be a good idea for secondary schools to introduce to their feeder schools (with the secondary school funding it as it isn't ...
